Dear Mr. Kozikowski:

My name is Sonia Santavenere owner of The Main Switch Beauty Salon located at 390 Washington Street. My business location is also my residence where I have resided for 25 years. I am writing to appeal the opening of The Root Center for Advanced Recovery Center location at 392 Washington Street.

This establishment would be located next to my business/residence and would introduce many issues into the area, such as vandalism, littering, theft, loitering, and high foot traffic.

I am not opposing this type of business but I would sincerely recommend another location. I am afraid opening this type of facility would have adverse effects on my business, my safety and the quality of life I enjoy at my home.

In conclusion, I hope you grant my petition not only for me but for the safety of my grandchildren and clients.

Sincerely,

Sonia Santavenere
Concerned Citizen

Subject: Methadone Clinic 9/9/20

This email was sent by someone outside of the City of Middletown.

I am against having a methadone clinic in my neighborhood. It is not safe for our families, and there will be increase traffic concerns, and the clients will be loitering in the neighborhoods, increase criminal behavior and the decreasing value of our property. Please do not approve this application. If you need a clinic in Middletown put it at Connecticut Valley Hospital site where already you have vacant space.
